With one integrated system, you can streamline operations and reduce errors by eliminating manual and redundant processes. Rely on single spot entry for SKU updates with automatic distribution to stores and registers. Efficiently track and sell multi-pack sizes. Track vendor performance and top-selling items. Increase ROI by selling ad space and delivering promotional messaging through customer facing displays. Use our mobile solution to easily create PO's on the floor and handle back-door receiving. Be assured, knowing safeguards are in place to prevent items from being sold below cost.

Put Our Experience to Work for You

Retail Anywhere has worked with retailers in the wine and spirits industry for many years. Our solutions help countless retailers run their businesses efficiently and profitably while conforming to state liquor laws.

With Retail Anywhere, you can:

- Provide a quick and easy checkout with split second credit card authorization and an intuitive touch screen interface
- Deliver real-time visibility across the chain, supplying detailed information of what is in-stock, on-order and in-transit
- Eliminate out-of-stock and over buying with inventory control and suggested min/max replenishment tools
- Maintain club membership discounts, special pricing and tax options
- Track sales and customer buying habits and utilize promotional mailers
- Analyze and track sales by various attributes, such as brand, vendor, vintage, scoring and region
- Enforce age and time of day restrictions
- Define multiple price levels for unit, case, pack, and milliliter
- Implement scales for weighted items
